

Bags

All bags are fully lined with a complimenting fabric to the front design. The designs are hand painted and some have hand embroidery detail. The bags can be personalised with names or words.

The bags are large enough to fit in A4 paper or an A4 sketchbook with plenty of room for other drawing equipment.

The straps are 80cm in length so suitable for wearing across body for a little person. Bigger persons can wear over the shoulder. I can add larger or smaller or double straps if requested

As all bags are handmade no two are alike.
