

Aprons

All Aprons are double sided and hand made in cotton. One side is hand painted and embroidered with a paintbrush design. The other side is made from a coloured or patterned pre loved fabric. They have a cross over back strap, easy for little ones to get on and off!

They come in 2 sizes

- Medium- Aprox 85cm shoulder to hem, suitable for 5 - 8 year olds (the model is 132cm)
- Large - Aprox 100cm shoulder to hem, suitable for 8 years + (the model is 140 cm)

As all Aprons are handmade no two are alike. Each Apron pictured is a one off and is ready to be personalised if required.
